

Schools without buildings

†*277. SHRI MOTILAL VORA: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) the number of primary schools and middle schools running in tents and under trees;

(b) whether it is possible to get education in the summer, winter and rainy season in such conditions;

(c) whether this is also a reason for decrease in the number of students in schools;

(d) what should be the maximum distance between two primary schools;

(e) whether this rule is being followed; and

(f) the steps being taken by Government to provide permanent buildings and basic amenities to primary and middle schools?

THE MINISTER OF HUMAN RESOURCE DEVELOPMENT (SHRI ARJUN SINGH): (a) to (c) Only 1714 primary and 442 Upper Primary schools were running in tents as per data available upto 30.9.2005, which is 0.23% and 0.22% of the total primary and upper primary schools. The number of students at the Primary and Upper primary stage has been increasing over the years.

(d) to (f) The norm of Sarva Shiksha Abhiyan (SSA) provides for setting up of a primary school within 1 km of every habitation wherein coverage is incrementally addressed through district based Annual Work Plans and Budgets, under the programme. 1,81,484 school buildings, 6,87,639 additional classrooms, 168202 drinking water facilities and 227705 toilets have been sanctioned so far under the SSA to improve school infrastructure.
